Christian Equippers Intl

CEI began as an evangelism equipping school and eventually became a ministry that taught local churches how to proclaim the gospel in the context of their local communities and churches. CEI has developed and distributed teaching resources for over three decades and is now partnering with Portland Bible College to offer biblical education curriculum.

Portland Bible College

Founded in 1967, PBC is located in Portland, Oregon. PBC is an educational ministry of Mannahouse committed to the formation of servant-leaders for local churches and societies throughout the world. This will be accomplished through instruction in the Word of God, development of godly character and responsiveness to the Holy Spirit in the context of Christian community in a local church setting.

— “
Attending Portland Bible College early on in my journey with the Lord was an amazing experience for me. Being immersed in God's Word built upon the foundation of Jesus in my life. The professors not only teach the word of God, but love it and live it, which is evident by the in depth presentation of the scriptures. This season of my life gave me a greater desire to spend time with the Lord and lean into His word in every aspect of my life. I am so thankful for the time I spent at PBC and how it strengthened me for a lifetime of following Jesus.
